The following reflects comments / discussions about the HCISD Boggus Stadium /13 Street Master Plan with the Committee. The main focus of the meeting was to discuss the additional option that would modify Option #3 and #4 from the previous meeting.

**\*\*Committee approved presented Master Plan Option for Track and Field Project.**

If any of the information contained herein is contrary to your understanding or would like to add additional comments, please contact me and I will make revisions/additions and re-distribute to the group.

### Comments

- Reviewed (1) Site Option– See attached.
  - Option #3-1/2 – Track shifted 15'-0" to the south. Provide 750 concrete seats at NE corner of Visitor's side. Demo existing 2000 aluminum bleachers in the end-zone. Provide 1000-1200 new aluminum bleacher seats outside of the North end of the track. Aluminum bleacher area split up into (3) separate sections. Demo at least (1) classroom of the existing 1-story structure at Memorial. Track runway moved from West side to East side. Vernon practice field remains in same orientation. Future parking area approximately 300 spaces. Tennis courts have been relocated across from Vernon gymnasium.
- Committee approved the attached scheme as final schematic for the Track and Field Project.
- Gignac will proceed to Design Development on the Track and Field Project. Phasing of each project will be further developed.
- Possibility that the Vernon exterior storage building located near the field event area may be demolished to provide more room for Shot Put arrangements. Storage space lost would be recouped in one of the buildings that will be vacated and relocated in the Memorial Re-purpose Project.
- Field Event areas will be reviewed by Track coaches for final placement. Gignac will forward to Mr. Cretors the attached scheme in PDF format.

End of Meeting Notes.
